

WasteSafe 2027

Call for Papers

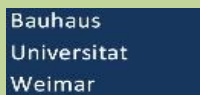

10th International Conference on Sustainable Solutions for Waste Management in Developing Countries

01-02 February 2027 Dhaka, Bangladesh

Celebrating its 10th edition, **WasteSafe 2027** marks a significant milestone in the journey of the WasteSafe Conference series. Following the success of 9 previous events (held in the month of February from 2009 to 2025 at every odd year). Over the time, **WasteSafe** has evolved into a highly regarded platform for young researchers especially from developing countries to engage directly with globally recognized academics and professionals in the field of waste management. The conference offers an exceptional opportunity to exchange ideas, showcase best practice & innovations, and discuss sustainable technologies in solid waste, faecal sludge and integrated wastewater management and treatment.

Jointly Organized by

- WasteSafe Environmental Limited, Bangladesh
